RESOLUTION #20-15 Water/Sewer Relevies

Whereas, the Town of Portville has been re-levying delinquent Happy Hollow Sewer Payments since the inception of the Sewer District,

Whereas, there are current TOWN residents who use the Village Water/Sewer, who are also delinquent, and their delinquent bills cannot be relevied on Village taxes, as they do not pay Village tax,

Therefore, BE IT RESOLVED, that the Town Board of the Town of Portville allow these Town residents delinquent bills to be relevied on the Town/County tax bills.
